mBio is an open-access, online-only publication of the American Society for Microbiology (ASM), 1752 N St., NW, Washington, DC 20036-2904. It is published in association with the American Academy of Microbiology.

ASM publishes mBio articles under the terms of the Creative Commons Attribution-Noncommercial-Share Alike license. The author(s) retains copyright under this license. Others may adapt, reorganize, and build upon the published work for noncommercial purposes as long as credit to the author and original article is given and the new work, which includes the previously published content, is licensed under identical terms.
