

Erratum for Sivan et al., "Identification of Restriction Factors by Human Genome-Wide RNA Interference Screening of Viral Host Range Mutants Exemplified by Discovery of SAMD9 and WDR6 as Inhibitors of the Vaccinia Virus K1L⁻C7L⁻ Mutant"

Gilad Sivan,^a Pinar Ormanoglu,^b Eugen C. Buehler,^b Scott E. Martin,^{b*} Bernard Moss^a

Laboratory of Viral Diseases, National Institute of Allergy and Infectious Diseases, National Institutes of Health, Bethesda, Maryland, USA^a; Division of Preclinical Innovation, National Center for Advancing Translational Sciences, National Institutes of Health, Bethesda, Maryland, USA^b

Volume 6, no 4, e01122-15, 2016, <https://doi.org/10.1128/mBio.01122-15>. In the Results section (PDF page 3), we mistakenly duplicated the DAPI panel of siSAMD9_1 in siSAMD9_3 in Fig. 1C. The incorrect panel has now been replaced with the correct one. The error has no impact on any of the conclusions. We apologize for not detecting and correcting this error before publication. The revised Fig. 1 shows the corrected panel.
